Particulars As Per SEBI Circular Dated May 20, 2020	Details of Disclosures
Impact of Covid 19 pandemic on the business	The impact on the business has been very pronounced due to National, State and Local Governments Lockdown for almost a period of 4 months
Ability to maintain operations including the Factories /units/office spaces functioning and closed down	For more than 3 months the factory / office spaces could not function as 10% of the staff / workers were allowed to work as the company is not in the essential services sector
Schedule, if any for restarting the operations	There was no planned schedule as the lockdowns were not allowing for working as a continuous process industry.
Steps taken to ensure smooth functioning of operations	Given the constraints, steps have been taken to mitigate the business and industry specific stress.
Estimation of future impact of COVID-19 on operations	The past 4 months' experience has shown that the financial year 2020 - 2021 is going to be a very stressful and very far from smooth operations.
Details of impact of COVID-19	
Capital	Adequacy of Capital has been impacted very severely.
Profitability	The area is in negative territory and very tough to get by.
Liquidity	Operational liquidity was about just 25% and stress on meeting creditors' payments has become extremely difficult
Ability to service debts and other financial arrangements	About 25% - 30% ability - the rest in in negative territory
Assets	Impairment by about 40%
Internal Financial reporting and control	Very Stressed reporting and control is weak.
Supply Chain	Affected due to transport restrictions and movement of people.
Demand for products and services	Demand for products has suffered due to the adverse supply chain impact
Existing contracts/agreements where' _ non-fulfilment of the obligations by any party will have significant impact on the listed entity's business	Yes - the stress on contracts / obligations exists but so far these factors are not yet disruptive. The next 8 months would reveal the significance and extent of the impact on the company's business.
Other relevant material updates Though the impact of COVID-19 seems to about the listed entity's business	The following are material updates:- (1) The factory has been functioning with just about 45 - 50% normalcy. (2) The Creditors and Debtors have so far been manageable. (3) The liquidity is a problem area but the company endeavours to address this with innovative means by addressing these issues to the Company's creditors and debtors.
